

Customer Support - CMS User Guide

Customer Support - CMS User GuidePage

1. Accessing the CMS

- **Login**

1. Navigate to the CMS portal (e.g. <https://www.supremelifeplatform.com/>).
2. Enter your assigned **Username** (e.g. `mohit.kumar@svlgrp.com`).
3. Enter your **Password** and click **Login**.
4. Upon successful sign-in, your role-supported menu options will appear.

2. Navigating to Customer Management

- From the top menu, go to **CMS → Customer Management**.

- This brings up the **Customer Search** page.

3. Searching for a Customer

- Use any of the following filters:
 - **First Name / Last Name**
 - **Creation From/To Date**
 - **Mobile Number / Email**
 - **TRN** (Tax Reference Number)
 - **Account Status / Account Type**
- Enter filter criteria (e.g. mobile number **9540662129**) and click **Search**.
- Results appear below; click **View** next to the desired customer.

4. Verifying KYC Documents

With the customer's record open:

1. Locate **Customer Identification Details** section.
2. ID scans appear (e.g. National ID front/back).
3. Verify the **ID Number** and **Expiry Date** fields.

1. Click **Verify** to approve documents.
 - A confirmation pop-up appears ("Document successfully verified"); click **OK**.
 - Status indicators update:
 - ID field now shows a checkmark.
 - "Verify" button changes to a green **Verified** label.

5. Authorizing Transaction Types

Under **Miscellaneous Details** and **Security Questions**:

- To enable digital payments:
 - Click **Authorize Digital Transactions**.
 - Confirm in pop-up ("Are you sure ...?").
 - After confirmation, a **Successfully updated** notification appears.
- Similarly, to enable/disable Cash Transactions, click **Authorize Cash Transactions / Unauthorize Cash Transactions**, and confirm.

6. Final Account Status

Check the **Customer Summary** tab:

- The **Account Status** should now show **Verified** with a checkmark.
- Under **Allowed transaction Methods**, digital/cash indicators reflect the authorized status.
- Example: Digital = ✔, Cash = ✖
-

The screenshot displays the 'Customer Summary' page in the CMS. On the left is a sidebar with a customer profile card for Pratham Wadhwa, showing a balance of \$500.00, a verified status, and buttons for adding/removing credits and promo credits. The main content area has a top navigation bar with 'Summary' selected. Below this, the 'Customer Summary' section shows fields for Customer Name, Number, Contact Method, and Account Status (highlighted with a red box and a green checkmark). The 'Allowed transaction Methods' section shows 'Digital' and 'Cash' both checked. The 'Customer Demographics' section includes fields for First Name, Middle Name, Last Name, DOB, Gender, Country of Birth, and Nationality. The 'Customer Contact Details' section is partially visible at the bottom.
